Dear Dr. Corriveau

In your role as Co-chair of the Public Health Network Council, I am writing to make you aware of the interest and willingness of the Urban Public Health Network (UPHN) to contribute to the work of the Council.

UPHN, with membership from Canada's largest local public health departments, is a significant talent pool for you to draw upon for input into your priority issues and for membership on your committees and task groups.

We have contributed to national issues such as the CIHI Report, "Reducing Gaps in Health: A Focus on Socio-Economic Status in Urban Canada", and have worked to foster cooperative and collaborative approaches on public health issues.

Please let us know how we might contribute to the work of the Network.

Yours sincerely,
On behalf of the Urban Public Health Network

G. Predy, MD FRCPC
